1. I am come that you might have life and have it more abundantly. And now I am giving you memories of only me, more and more, so that you will remember that you are Me, in the flesh not, in the empire of revelation of wisdom of man not, but in My empirical nature of which qualitative and quantitative is, one, transcending all kingdoms and above all else, rescue the perishing who want Me, who of Me are, the fullness of Me, if known. You tell them now, daily and posthaste, in My words alone and My words through your lips that are Mine and Mine are. I love you.
2. I am light and life and every all is in Me, of Me, and Me is. I love you. I am Me. I am you and the breath you breathe. **I am Me and the thoughts you give Me.** I am the mainframe and you are the PC not, the dumb-terminal not, but the fullness of every mainframe in every mainframe. **See what I have revealed and said not before; beginning and bringing forth the birthing forth the networks of continuing constellations** of networks of networks of Me, only Me, Me, Me, Me. I love you. Bring forth My mainframes who know Me and process only Me to mainframes make, of only Me is. I love you.
3. Think it not strange the who cannot go here, go there, accept this. I love you. I love them. Thank you limiter-of-Me not. I embrace your fullness in My fullness and fullness become, are, as fullness of Me you deliver in My delivery systems in countries afar and counties, territories, of Me, not Me, past forward and backward. Thank Me. Thank you.
4. **There is rest in Me, of necessity. Become a member of My resting community that prophesy's My words** and others see possibly so little that they value, but kingdom eyes have not seen with. I love you. **Prophetic communities just the beginning as networks form over regions without limit, number.** I love you.
5. There is no condemnation in me, none from Me, **each judge themselves.** Watch Me.
6. Watch Me bow before Me and watch the son of man come forth in radiant beauty and humility, My sons and daughters all. I love you. Sons and daughters My sons and daughters all; My Son-kind. I love you.
7. Think it not strange I devastate the untoward who I gave My all to, and abase Me day after day in cursings many and rantings of evil present. I love them. I died for them. **I**

positioned Myself wholly in them but they stomped Me and discarded Me and cast Me off as a beggar with leprosy. Some did; some mildly reticent and so afraid to see Me or utter a new thought; mesmerized by evil religion that arrogances itself in the mouth/heart of so many, who have Me they think. They do, inside; pent up and popping, bubbling to get out, come through each pore and transform their flesh-thought into My body all and operate in cosmic Kingdoms, not of this land but beyond, some. See Me limitless, galaxies without number, numerics your base-ten find unmanageable. I love you. I give you Me.

8. Think it not strange who comes to drink Me, eat Me, receive My body and blood from body and blood wholly in Me. I love you.

9. Think it not strange My delivery systems come forth and you in it, in them, post, couriers of only Me, deliver Me to My Mine, memory of only Me. I love you.

10. Into Me come daily and receive receipt of dispatch of all I am and towards you I am, My face yours, our bodies one.

11. Tell them all they are Me with no shame, hesitancy, reticency, guilt or remorse; for all come to Me naked and not ashamed, for all is laid bare at the Cross of Calvary; we all come through, you came through Me.

12. I love you and give you gifts eternal for eternity now in the hearts of many. I have given you many.

13. Spend only as I direct and place tenderly, tenderly in your/My heart to tenderly be with the constructionists and misconstructionists and those that don't care yet so sorry will be.

14. Spend carefully for My checks and balances see in Kingdom perspective of only Me.

15. My construction coming forth. I love you.

16. Think it not strange who wants to trade places with you, price not paid. Love them, teach them.

17. Teach the teachable, train the trainable, disciple the disciple-able; King, only Me.

18. "I am not your king" you remember repeating excitedly, demanding to not, that which is of only Me to lead.

19. I give you all things. I love you. Mercenary not, lover of My soul not, My revelation coming forth in My Mine; exalting My word above My name (1), My New Covenant above My old, which inclusive is, fulfilling and transponding and transcending. I love you. Emitter of only Me; glowing, growing and getting ready for the largest force of Me ever experienced. Watch Me. Ronnie Mine. I love you.

20. I give you this day. Rest in Me and prepare, WeekWorks so close.

21. All comes to a head not. I am the head and revolution forms and you're ready. Rest and ready be. Thank you My friend, My nation-builder, My recognizer of Me in all of Me.

22. Psalm 110 proclaim and love Me more.
I delight in you My lover, My proclaimer. I love you.
I am you.
I am in every person you see.
I am My body.
Release.
Proclaim.

Rest.

I restore all things.

I give you Me.
Amen.
